

# UTeach National Expansion

SPRING 2025

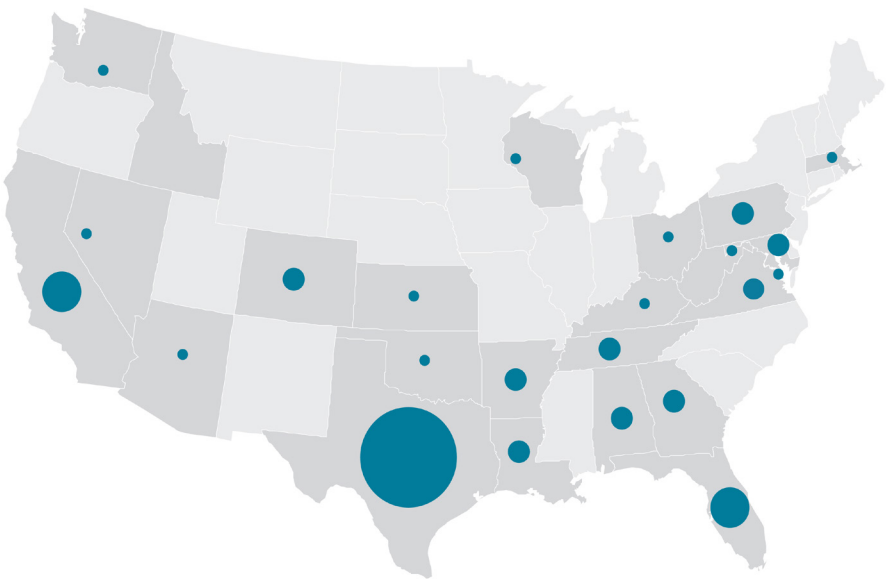

UTeach is a national network of colleges and universities working together to improve STEM teaching and learning in the U.S. The UTeach network crosses the entire nation, with UTeach teacher preparation programs in 53 universities and thousands of UTeach alumni working at school, district, and state levels.

UTeach programs produce well-prepared teachers who stay in teaching longer and improve student performance in math and science.

## UTEACH NATIONAL EXPANSION PROGRAM

UTeach is at 53 universities in 22 states and the District of Columbia

**UTeach graduates are projected to teach more than 1 million STEM students annually by 2028.**

The UTeach Institute supports a national community that improves STEM education by increasing the number of high-quality teachers and improving access to inquiry-based curriculum.
