

UTeach National Expansion SPRING 2024

UTeach is a national network of colleges and universities working together to improve STEM teaching and learning in the U.S. The UTeach network crosses the entire nation, with UTeach teacher preparation programs in 54 universities and thousands of UTeach alumni working at school, district, and state levels.

UTeach programs produce passionate, well-prepared teachers who stay in teaching longer and improve student performance in math and science.

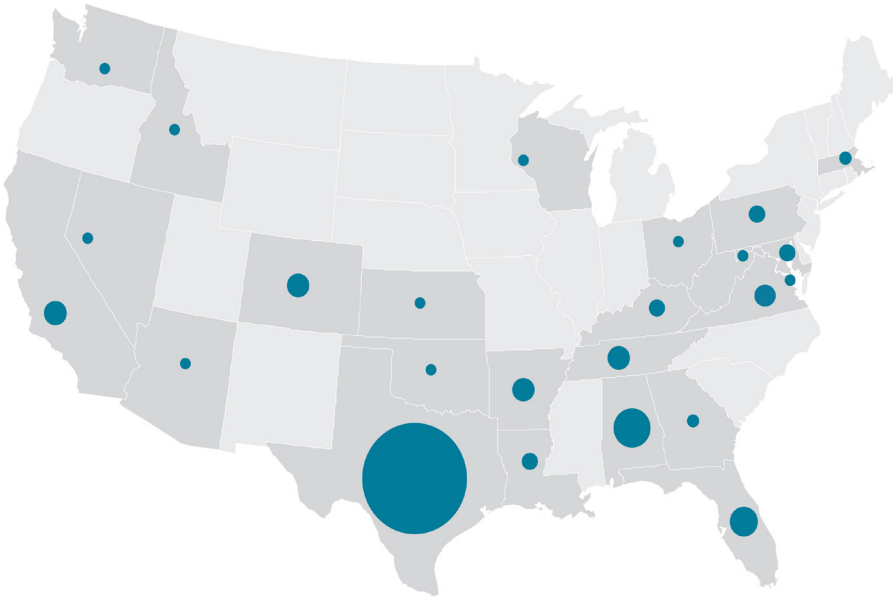

UTeach graduates are projected to teach more than 1,000,000 STEM students annually by 2027.

The UTeach Institute supports a national community that improves STEM education by increasing the number of high-quality teachers and improving access to inquiry-based curriculum.

UTEACH NATIONAL EXPANSION PROGRAM

UTeach is at 54 universities in 23 states and the District of Columbia.
