Pursue a bachelor of science degree all while earning a teacher’s certification through the LSU GeauxTeach (GT) Program.

Quality math and science teachers are in high demand. By the time you complete the GT program, you will have a BS degree in science or math and be both certified and highly-qualified to teach in that subject area.

Why GeauxTeach?
- A diversity of career options after graduation (education, industry, public health, research, scientific writing, and much more)
- Increased understanding in math and/or science
- In-classroom teaching experience as early as your freshman year
- Mentoring and support from master teachers

Interested? Get started on the GeauxTeach path by registering for BASC 2010 (1 credit hour).
